The Line of Best Fit

Photographer, Videographer, Editor

March 2012
–present
Photographer and videographer for The Line of Best Fit, an award-winning new music website based in the UK.

I provide live music and event photography, portraits and “behind the scenes” style diary pictorials which are a very popular feature on the site.
I also film and edit music related video content.

Techconnect B.V.

In-house graphic and media designer

January 2009
–March 2009
Provided graphics, designs and logos for all in-house projects including websites, presentations, promotional videos and print material.
